

Whitfield County Schools

Foundations of Leadership

Becoming a valued and dynamic school district requires effective and committed leaders with passion for all students. These essential elements establish the type of servant leadership exhibited by leaders in Whitfield County Schools.

MODEL

respect
ethical behavior
communication

WCS leaders demonstrate respect for staff, students, parents, and community through effective communication and confront issues respectfully.

BUILD

trust
relationships
culture

WCS leaders develop a safe, learning-centered environment with a positive culture of caring and community of trust.

INSPIRE

purpose
innovation
leadership

WCS leaders operate intentionally toward a clear purpose, encourage innovation, and empower others.

SUPPORT

collaboration
diversity
learning

WCS leaders believe teamwork is the vehicle to achieve goals and embrace differences in thought and backgrounds as a necessary path to the best possible outcomes for students.

REFLECT

WCS leaders consider their actions in all aspects of their jobs and seek ways to improve their practices.
